Welcome to IAGMH National Midterm CPD

Dear colleagues,

It is a great honour to us in inviting you all with your families to the National Midterm CPD of Indian Association for Geriatric Mental Health (IAGMH) to be held in the City of Pearls, HYDERABAD on 9th & 10th March, 2024. This spectacular knowledge sharing event is jointly organised by ASHA HOSPITAL, Hyderabad.

Our thinktank has set the theme for the conference as “FRONTIERS OF GERIATRIC PSYCHIATRY” which will showcase the updates in the field of Geriatric psychiatry. Psychiatrists have to rely only on good clinical history and keen observation skills. The ability of identifying the present social phenomenon is equal to eliciting a clinical sign.

We hope that you will have a great scientific feast and a divine feeling in the spiritual context around the Hyderabad.

Expecting you all along with your family to have a great time to experience not only historic backdrop of the city Hyderabad, but also surroundings of the city and our divine hospitality.

With warm regards...
